Days with Mary are a great blessing for us

From Mr Eric Coates

SIR – Since September last year, when my wife and I were blessed to experience a pilgrimage to Rome organised by the Day with Mary team, we have travelled over 100 miles on several Saturdays to enjoy the Days with Mary.

I have spoken with several priests who have made similar comments to those of Pastor Iuventus (February 5)

about their first parish experience with a Day with Mary. May God bless the team and all the priests who are regularly allowing their churches to be used for these devotions, and the many friends we have made on these days would, I am sure, echo our thanks and praises.

Yours faithfully,
ERIC COATES
